---

Mr. Mistry was born in Mumbai on January 7, 1938 (67 Years). Mechanical Engineering, Diploma from Victoria Jubilee Technical Institute, (VJTI) Mumbai in 1958. Marketing Management Course in April 1966 from Administrative Staff College, Hyderabad. Attended several Programmes, International and National on Maintenance Management, Environment & Protection, Predictive Maintenance Systems and community service.

Associated actively with International and National renowned Organisations since 1975 having interests in the field of Energy Conservation, Power Generation & Distribution Systems, Pollution Control & Environment Protection, Oil Spill Response Equipment, Upgradation of Technology for Effluent Treatment, Waste Water Management & Predictive Maintenance System, Heat resistant Steels, Castings and Specialised Steel.

Have considerable experience in representing Companies and Institutions for liaison work with the Ministry of Industry, Commerce, Finance, Defence, Energy and Power, Environment and various agencies and statutory bodies like the secretariat for Industrial Approval, Foreign Investment Promotion Board, various Banking and Funding Institutions. This representation includes offering assistance and contacts to locate Prospective Joint Venture Partners in India and overseas by giving consultancy to the promoters for preparing applications and follow up at all stages till government approval is obtained. In the past two decades we have successfully got approvals for over ten collaborations/joint ventures.

Travelled widely in India and abroad especially meeting fellow Zoroastrians even in smaller towns and villages. Currently involved in upliftment of poor and economically backward Zoroastrian farmers/families in North Maharashtra and South Gujarat states of India through international philanthropic organisations by offering technical know-how & expertise and financial loans to entrepreneurs giving them an equal opportunity to succeed in their enterprises, thus elevating the living standards of the other local communities in that area.

*Contd.....2*
